# New to Competition Swimming?

## Welcome to the SMNE 2019 13/Under Summer Sprint Meet!

Swimming Metro North East ([www.smne.org.au](http://www.smne.org.au)) is the local arm of Swimming NSW and Swimming Australia, our sport's governing body. SMNE membership consists of approximately 20 clubs and over 1,000 competitive swimmers. We run carnivals and development programs, train officials, support coach development and coordinate activities for swimmers in the local area.

Metro North East Development Squads provide a number of opportunities to swimmers in the Area to further their skills and knowledge of swimming. For more information visit our website: [www.smne.org.au](http://www.smne.org.au)

### ON ARRIVAL

Each club normally sits in a section of the stands and this is where the parents will remain all day and where you should leave your belongings. Look for your club's colours/banner.

### WARM UP AND COOL DOWN

See your coaches for your warm up and cool down instructions. Most of the coaches will sit on pool deck but you may find your coach chooses to sit in the stands. Warm up in the main pool is available today from 8am to 8:45am.

### MARSHALLING

At your first Meet, it is a good idea to let the marshals know that you are new so they can explain the 'chairs, rows and numbering system' used at marshalling for heats and events. It is also a good idea to try to buddy up with a more experienced member of your squad or club to make your first Meet as enjoyable as possible. You must present to the marshalls 3 events prior to your event.

Please be aware that **parents are not permitted on pool deck or marshalling areas** unless they are volunteering as a technical official or timekeeper or accompanying a Multiclass swimmer.

### RESULTS

Official times are recorded electronically for every swimmer and may be found on the NSW Swimming website under 'Results'. Results for each Meet are usually online within 48 hours after the end of each Meet. Some results will be live on the Meet Mobile app for both android and iPhones.

Alternatively go directly to: <http://results.swimming.org.au>

**MOST IMPORTANTLY Enjoy your competition!**

**TO AVOID ACCIDENTS PLEASE DO NOT RUN IN THE POOL AREA  
AND PARTICULARLY ON THE POOL DECK.**

In the interest of swimmer safety, the following procedures must be observed throughout the WARM-UP PERIOD.

1. All lanes, with the exception of 0 & 9 are NO DIVING lanes, with entry to the lane "feet first, from a sitting position". Swimmers can only push start, and should observe a "keep left" rule at all times.
2. Lanes 0 & 9 (at the start end) are reserved throughout the whole of the warm-up period for dive sprints and walk backs. Swimmers must clear the lane immediately, and should use caution when doing a Backstroke start.
3. Lanes 1 to 8 are reserved throughout the whole of the warm-up period as circle swimming lanes

# **STARTING INSTRUCTIONS**

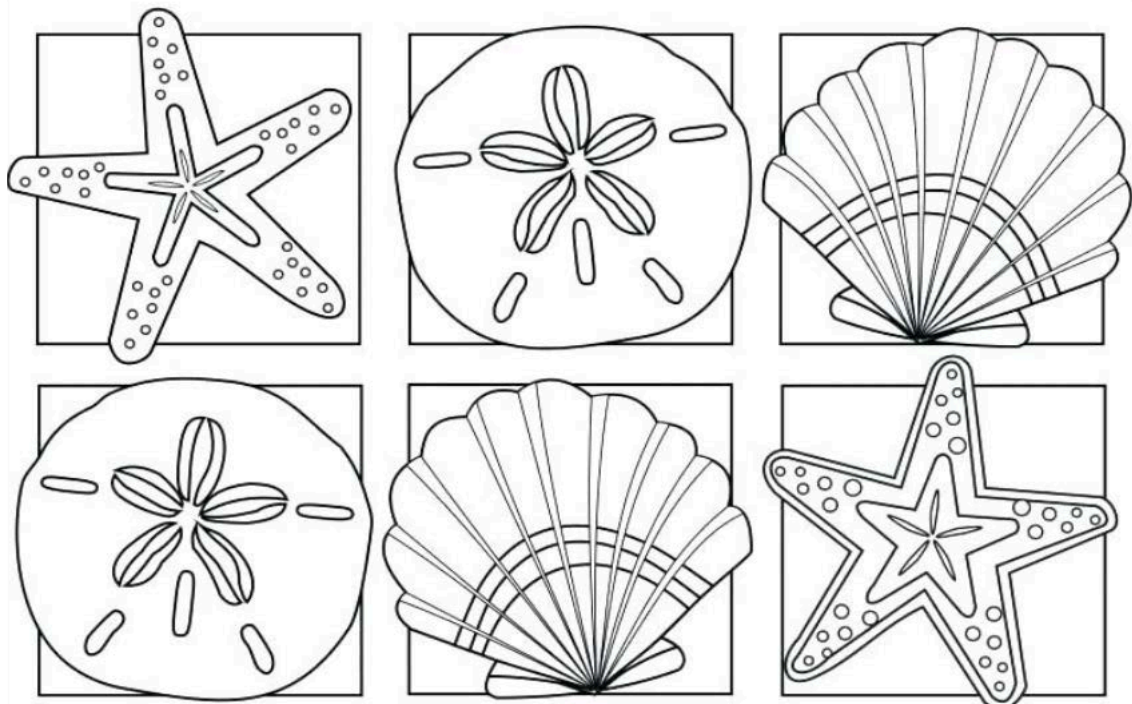

1. The *Check Starter* will direct you to a position behind the *Timekeeper* on your nominated lane.
2. Report to the Timekeeper for your lane prior to the HEAT before yours.
3. Whilst swimmers from the previous heat are clearing the water, step forward to behind your lane's Starting Platform and await the Referee's signal.
4. When competitors have placed themselves behind their Starting Platform, the Starter will announce - for example "Event No.5 - 50 metres Backstroke Heat 1".
5. On the long whistle blast from the Referee the swimmers shall step onto the Starting Platform and remain there, or for Backstroke swimming, immediately enter the water. A second long whistle blast shall bring the swimmers immediately to the starting position.
6. On the Starter's command "Take your marks", competitors will immediately take up their starting positions with at least one foot at the front of the Starting Platform, and in the case of a Backstroke Event, their starting position in the water, and remain stationary.
7. When all the competitors are stationary, the Starter will give the starting signal.
8. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer/s shall be disqualified on the completion of the race.
9. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining competitors shall be called back, be reminded by the Starter of the penalties, and start again.
10. Competitors must finish in the lane in which they started and will REMAIN IN THE WATER IN THEIR LANES AT THE FINISH OF THEIR RACE. On the signal from the Referee competitors are to leave the water VIA THE SIDE OF THE POOL.
11. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of strokes is Backstroke, Breaststroke, Butterfly, Freestyle.
12. When "starting over the top" is used, all competitors from the preceding heat are to move to the side of the lane, against the finishing wall, and remain still. When the next race is backstroke, the competitors from the preceding heat are to move down the lane rope towards the backstroke flags and remain still. When the next heat has started, they should leave the pool by the sides as quickly as possible.

If the zookeeper had 100 pairs of animals in her zoo and if two pairs of babies are born for each and every one of the original animals, and then sadly 23 animal don't survive, how many animals do you have left in total?

A duck was given \$9, a spider was given \$36, a bee was given \$27. Based off of this information, how much money would be given to a cat?
